2000-2001	Post-Doctoral Scholarship in Economic and Statistical Sciences awarded by the Department of Economics “Cognetti De Martiis” of the University of Turin.
1993-1996	Doctorate Scholarship, University of Rome “La Sapienza”
1990	Foreign and Commonwealth Scholarship awarded by the British Council to attend the MSc in Economics, University of York

7. Research

7.1 Research projects: organization and participation

March 2021 -current	MINDtheGEPs: Modifying Institutions by Developing Gender Equality Plans. Funded by HOR2020. Participant.
June 2020- current	The COVID-19 school closure and math learning inequalities in primary schools in the Torino province (MATGAP). Funded by Compagnia di San Paolo and Collegio Carlo Alberto. Principal Investigator.
Jan 2019- Dec 2021	Economic Incentives for Migrants in Norway for Learning Norwegian. Frisch Center for Economic Research, Oslo. Participant.
2017-2020	Tackling the Gender Gap in Mathematics in Piedmont. Funded by Compagnia di San Paolo, Progetti di Ateneo 2016 call 2. Principal Investigator.
2015-2016	Study on the Economic Benefits of Gender Equality in the European Union. Funded by the European Institute for Gender Equality. Participant to the Collegio Carlo Alberto unit.
2013-2015	How to measure and value freedom of choice? Operationalizing Sen’s capability approach with a gender perspective. Funded by University of Torino, Progetti di Ateneo 2012 call 2. Principal Investigator. Supervised the work of 2 research assistants.
2013	Migration and Women Empowerment in Western Balkan countries. Funded by the Swiss Agency for Development and Cooperation, Department of Foreign Affairs. Mentor.
2012-2016	Changing families and sustainable societies: Policy contexts and diversity over the life course and across generations. Funded by the European Community under Framework Program 7. Participant to the Collegio Carlo Alberto unit.
2011-2013	Measuring human development and capabilities in Italy: methodological and empirical issues. Funded by the Ministry of Education, University, and Research (MIUR), PRIN 2009. National coordinator: Steinar Strom. Participant of the local unit. Supervised the work of 1 research assistant.
2010-2012	Dynamic models of labour supply of doctors and nurses in Norway. Funded by the Norwegian Research Council in co-operation with the Ragnar Frisch Centre for Economic Research, Oslo. Participant.
1/11/2008- 30/4/2009	Making Sen’s Capability Approach Operational: the use of random scale models. Scientific responsible for the visiting professorship given to John Dagsvik and funded by the University of Torino and Piedmont region (Accordo Università-Regione Piemonte, Azione D). Budget: 37,000 euro.
2007-2009	Evaluation of Tax reform in Norway; dynamic analysis of household behaviour”. Funded by the Norwegian Research Council in co-operation with the Ragnar Frisch Centre for Economic Research, Oslo.
2005-2007	Trafficking for Sexual Exploitation and Prostitution. Funded by the Ministry of Education, University, and Research (MIUR), PRIN 2005, and by the Department

	of Economics “Cognetti de Martiis”, in co-operation with the International Organisation for Migration and United Nation Office on Drugs and Crime. Participant. Supervised the work of 1 research assistant.
2005-2007	A Random Utility Approach to part time and shift work in the Norwegian Health Sector, funded by the Frisch Centre for Economic Research. Participant.
2004-2006	Voting and Gender. Affirmative politics in Italy.” Project funded by the Ministry of Education, University, and Research (MIUR) and by the Department of Economics “Cognetti de Martiis”. Supervised the work of one research assistant.
2000-2001	The harmonisation of tax policies; individual and family choices in the labour market” funded by Compagnia di San Paolo. Principal Investigator.
1998-2002	Models of Family Economics Useful for Social Policy Evaluation. Funded by the Ministry of Education, University, and Research (MIUR). Principal Investigator: Ugo Colombino.
1998-2000	The Impact of Economic Reform on Transition Economies: Initial Conditions, Institutional Reforms and Structural Change. Funded by European Bank for Reconstruction and Development, EBRD, London
1997-1999	Fiscal Policy, Parenting and Business Organisation” at the ESRC Centre for Business Research, University of Cambridge

7.2 Editorial activities

2012-2016	Associate editor of the journal <i>Feminist Economics</i> .
2008-2012	Member of the Editorial Board of the journal <i>Feminist Economics</i> .

Refereeing: *Journal of Health Economics*, *Review of the Economics of the Household*, *Cambridge Journal of Economics*, *Journal of Public Economics*, *Journal of Applied Econometrics*, *Journal of Population Economics*, *Labour*, *Feminist Economics*, *Journal of Socio-economics*, *Review of Economics of the Household*, *European Journal of Political Economy*, *Health Economics*, *Journal of Human Development and Capabilities*, *Kyklos*, *Economics of Education Review*.

7.3 Organization of conferences and workshops

October 2020	Final conference of the project: Tackling the Gender Gap in Mathematics in Piedmont. Collegio Carlo Alberto and Università di Torino. Scientific responsible.
1 June 2016	Workshop on Gender and STEM subjects, CHILD and Collegio Carlo Alberto, Scientific Responsible.
7 May 2015	Colloquia on the Capability Approach, Collegio Carlo Alberto, Moncalieri, Italy. Scientific responsible.
September 2013	Annual Conference of the European Association of Labour Economists (EALE), Torino. Local organizer.
19-21 June 2008	Women’s work and education in the global economy; 17 ^o Annual Conference of the International Association for Feminist Economics (IAFFE), Palazzo del Rettorato, University of Torino. Local organizer.
17-18 March 2006	Analysis of migration flows at risk: prostitution and trafficking. Fondazione Luigi Einaudi, Torino. Local organizer and scientific committee member.
28-29 May 2003	Family, Gender, Work: equilibria and disequilibria, The Interdepartmental Centre for Women's Studies, University of Torino. Local organizer and scientific committee member.

20-21 February 2001 Labour Supply /Microsimulation Workshop, Department of Applied Economics and Robinson College, University of Cambridge. Local organizer and scientific committee member.

7.4 Selection of papers accepted at national and international conferences

- Tackling the Gender Gap in Mathematics with Active Learning Methodologies. European Association for Labour Economics EALE 2020; Society for Economics of the Household; Società Italiana di Economia 2019; Associazione Italiana di Economia del Lavoro 2020; Bolzano Applied Microeconomic Workshop 2020.
- Stigmatising prostitution: some evidence from the UK European Society for Population Economics (ESPE) Antwerp June 2018.
- The Gender Gap in Attitudes and Test Scores. Towards a new construct of the mathematical capability. Associazione Italiana di Economia del Lavoro (AIEL) Ancona, October 2018. Annual conference of the Italian Association for Quality of Life (AIQUAV), Firenze 1 Dec. 2017.
- The gender gap in mathematics achievement: Evidence from Italian data. SIE Società Italiana di Economia, Annual Conference, Bocconi University Milano, Oct. 2016. AIEL Italian labour economics association, Annual Conference, Trento, Sept. 2016. ESPE European Society for Population Economics, Berlin, June 2016.
Do men care? Men's supply of unpaid labour. Annual Conference of the Human Development and Capability Association, Athens, Sept. 2014. Annual Conference of the ESPE European Society for Population Economics, Izmir University, Turkey June 17-20, 2015. Società Italiana degli Economisti (SIE) Bologna, October 2018;
- The increase of the gender wage gap in Italy during the 2008-2012 economic crisis. Annual Conference of the International Association for Feminist Economics, Berlin, July 16-18, 2015.
- It is not a bed of roses. Gender and ethnic pay gaps in Italy. Annual Conference conference of the European Association for Labour Economics (EALE), Lubiana, Sept. 2014
- The labour supply of nurses and physicians. Annual conference of the European Association for Labour Economics, EALE Torino, Sept. 2013.
- The capability approach: measurement issues. Session organiser for the "New Directions in Welfare - 2013 OECD-Universities Joint Conference - Economics for a Better World, OECD Headquarters, Paris, 3-5 July 2013.
- Pay Differences by Gender and Immigration Status in Italy. Symposium organised by the Cambridge Journal of Economics on "Equal Pay: Fair Pay? A forty-year perspective" University of Cambridge, 7-8 June 2013.
- Plenary session on "International institutions and organizations working on Quality-of-Life from different perspectives". Presentation of the Human Development and Capability Association at the IX Conference of the International Society for Quality-of-Life Studies (ISQOLS), Venice, 1-4 November 2012.
- Measuring capabilities. Freedom of movement of Italian women (with L. Andreassen and J. Dagsvik), Annual Conference of the Human Development and Capability Association, "Development as Freedom", Jakarta, Indonesia, September 2012.
- No Sex Please: We Are British! Stigma and risky behaviors among clients of prostitutes. (with M. Della Giusta), International Association for Feminist Economics, Barcelona, June 2012.
- Cognitive capability: a focus on science (with T. Addabbo, A. Maccagnan), International conference on Children's Capabilities and Human Development, School of Education, University of Cambridge April 2011.

- Bodily Integrity of Italian women: exploring freedom of choice (with L. Andreassen and J. Dagsvik), International Association for Feminist Economics, Buenos Aires, July 2010
- Gender differences in Italian children's capabilities (with T. Addabbo and A. Maccagnan) Human Development and Capability Association, Amman, Sept. 2010
- Bodily Integrity of Italian women: exploring methodologies to measure freedom of choice (with L. Andreassen and J. Dagsvik), Human Development and Capability Association, Amman, Sept. 2010
- Children Capabilities and Family Characteristics in Italy, 30th General Conference of the International Association for Research in Income and Wealth, Portoroz, Slovenia, August 24–30, 2008. Annual Conference of the Human Development and Capability Association, New School, New York, Sept. 2007.
- Children Well-being and Family Characteristics. Towards a measure of educational and play characteristics (with Addabbo T.), International Conference Policies for Happiness, Siena June 2007.
- As bad as it gets. Well-being deprivation of sexually exploited trafficked women. (with Shima I., Strøm S. Bettio F.) 16° Annual Conference of the International Association for Feminist Economics, Bangkok, Thailand, June 29-July 1, 2007
- Voting and Gender; Affirmative Politics in Italy. 15° Annual Conference of the International Association for Feminist Economics, Sidney, July 2006.
- Voting and Gender. Affirmative Politics in Italy. (with Bonomi G. and Brosio G.), European Public Choice Society, Turku, Finland, April 2006.
- To what extent fuzzy set theory and structural equation modelling can measure functionings? An application to child well-being in Italy, (with Tindara Addabbo e Gisella Facchinetti), 4th International Conference on the Capability Approach “ Enhancing Human Security”, University of Pavia, Italy, 5-7 September 2004.
- The Economics of Prostitution: An Empirical Study of the Demand, (with M. Della Giusta), International Association for Feminist Economics, University of Oxford, UK August 2004.
- Another Theory of Prostitution (con M. Della Giusta e S. Strom) XVIII Annual Conference of European Society for Population Economics, Bergen, Norway, June 2004.
- Decision Structures and Discrete Choice: An application to Labour Supply and Fertility, (con M. Weeks), XVIII Convegno Nazionale di Economia del Lavoro (AIEL), Messina, Settembre 2003.
- How to measure Children Wellbeing Using a Capability Approach? An Application to Indian Data through a Multiple Indicator Multiple Casues Model, 3rd Conference on the Capability Approach: From Sustainable Development to Sustainable Freedom, Pavia , Italy, Settembre 2003.
- The Economics of Prostitution, European Society for Population Economics, 17th Annual Congress, 13-15 June New York City, USA; International Association for Feminist Economics, University of West Indies, Barbados, June 2003.

7.5 A selection of invited presentation

October 2018	Third CANTATA meeting – COST action CA 15117, Gender and Physics. The gender gap in mathematics achievements and in attitudes. Valencia.
26-28 ottobre 2018	The gender gap in mathematics test: Exploring variation across items. Invited speaker at the seminar of the Istituto INVALSI, Bari.
17-18 Nov 2017	The Gender Gap in Attitudes and Test Scores. Towards a new construct of the mathematical capability. Invited speaker at the seminar of the Istituto INVALSI, Firenze.

13 Nov 2017	Leave no One Behind: why is gender equality key to sound macro-economics and sustainable development. Invited speaker at the Gender Academy, organised by the International Labour Organization.
27 February 2017	Seminar series of the Department of Economics, University of Reading. Title of the seminar: The gender gap in mathematics achievement: Evidence from Italian data.
22 April 2015	Seminar series of the Frisch center for Economic Research, Oslo. Title of the seminar: Do men care? Men's supply of unpaid labour
5 February 2015	Seminar at the Institute of Economic Research, Hitotsubashi University, Tokyo. Title of the seminar: Measuring capabilities with random scale models. Women's freedom of movement.
22 May 2014	Seminar Series of the Institute for Social Research, Oslo, Norway. Title of the seminar: Measuring capabilities with random scale models. Women's freedom of movement.
12 November 2013	Seminar series of the Dept. of Policy Analysis and Public Management, University Bocconi, Milano. Title of the seminar: Measuring capabilities with random scale models. Women's freedom of movement.
5 June 2013	Scientific Discussant for the final workshop of the EU funded Marie Curie programme <i>Education as Welfare</i> (EduWel), University of Valencia.
22 May 2013	Plenary Lecture for the conference on "Well Being and Public Policy" at the University of Reading. Title of the lecture: How to measure and value freedom of choice? Operationilizing Sen's capability approach with a gender perspective.
September 2012	Plenary Lecture at the pre-conference event of Annual Conference of the Human Development and Capability Association, Jakarta. Book Lecture: Amartya Sen's Capability Approach: Theoretical Insights and Empirical Applications by Wiebke Kuklys (Springer Verlag, 2005)
February 2012	Measuring capabilities. Freedom of movement of Italian women, seminar series of the Department of Economics, University of Reading
February 2012	No sex please: we are British. Stigma and risky behaviors among clients of prostitution. Speaker at the Workshop on Human Trafficking, International Crime and National Security: A Human Rights Perspective, University of Goettingen
29 June -1 July 2011	Women's freedom of Movement: an analysis based on the capability approach, Speaker at the 8 ^o International Conference in Economic Theory and Policy, Bilbao
April 2009	Children well-being and family characteristics in Italy, Speaker at the International conference on Children and the Good Life: New Challenges for Research on Children, Bielefeld
Sept. 2007	Measurement Issues and the Capability Approach, Pre-conference Introductory Lecture, Annual Conference of the Human Development and Capability Association, New School, New York
Sept. 2007	Structural equation models and the capability approach. Human Development and Capability Association, Summer School, New York
May 2007	Structural equation models and the capability approach. An application to Indian Children, Seminar series, Department of Economics, University of Siena
29 August-1 Sept. 2006	Structural Equation Models and the Capability Approach. Summer School of the Human Development and Capability Association, Groningen, The Netherlands

31 March 2005 How to measure children well-being with a capability approach? Methodological issues and an application to Indian Children. **Seminar:** Enfance et développement: Travail des enfants et enfants des rues. C3ED Université de Versailles, Paris

8. Contribution to Teaching

2017-2020 Advanced Micro-economics, Graduate, Dept of Economics and Statistics Cognetti de Martiis, University of Turin, Italy.

2010-2018 Micro-economics, Undergraduate, Dept of Economics and Statistics, University of Turin, Italy. Average index of students satisfaction for the teaching between 92 and 96 %.

2013-2015 Poverty, Inequality and Redistribution, Master in Public Policy and Social Change, University of Torino and Collegio Carlo Alberto, Italy.

2012-2015 Labour Economics, Undergraduate, Dept of Economics and Statistics, University of Turin, Italy.

2003-2015 Economics of Gender, Master course, World Heritage and Cultural Projects for Development. International Training Center, ILO, Torino, Italy.

2008-2011 Quantitative Methods for Social Sciences, Master course (Laurea Magistrale), Faculty of Political Sciences, University of Turin, Italy

2005-2011 Gender and Poverty, Master course (Laurea Magistrale), Faculty of Political Sciences, University of Turin, Italy.

2008-2011 Quantitative Methods for Social Sciences, Master course (Laurea Magistrale), Faculty of Political Sciences, University of Turin.

2003-2005 Economics of Gender, Undergraduate, Faculty of Political Sciences, University of Turin.
Microeconomics, Undergraduate, Faculty of Political Sciences, University of Turin.

2001-2002 Economics of Inequality, Economic Tripos, Part I, Paper 1, University of Cambridge (shared course with Dr Paul Ryan).
Supervisor of Microeconomics, for Preliminary examination (II year), for Robinson College, for Trinity Hall, and Corpus Christ College, University of Cambridge.
Supervisor of Microeconomics, first year, for Robinson College, University of Cambridge.

2000-2001 Supervisor of Microeconomics, first year, for Robinson College, University of Cambridge.
Supervisor of Microeconomics, for Preliminary examination (II year), for Robinson College, for Trinity Hall, and Corpus Christ College, University of Cambridge.

1999-2000 Supervisor of Microeconomics, year 1, for Robinson College, New Hall College and Wolfson College, University of Cambridge.
Supervisor of Microeconomics, for Preliminary examination (II year), for Robinson College, University of Cambridge.

8.1 Doctoral schools

2012-current **Member of the Faculty of Vilfredo Pareto Doctorate in Economics**

2009-2010 Member of the Scuola di Dottorato Vilfredo Pareto, University of Torino.

2007-2008 Family and the Labour Market, PhD Lecture course, Advanced Programme in Labour Studies, Faculty of Social Sciences, University of Oslo.

8.2 Supervision of graduate students

2018-2021	Supervision of 1 PhD student.
2014-2015	Supervision of 1 PhD student.
2013-2014	Supervision of 1 PhD student.
2011-2012	Faculty of Political Sciences, University of Torino: 6 Master students.
2010-2011	Faculty of Political Sciences, University of Torino: 5 Master students.
2009-2010	Faculty of Political Sciences, University of Torino: 7 Master students; 1 PhD Student.
2008-2009	Faculty of Political Sciences, University of Torino: 6 Master students; 1 PhD Student.
2007-2008	Faculty of Political Sciences, University of Torino: 5 Master students.
2006-2007	Faculty of Political Sciences, University of Torino: 4 Master students.

8.3 Organisation of Summer schools

July 2016	Summer School in Gender Economics and Society, International Training Center, International Labour Organization, Turin.
July 2015	Summer School in Gender Economics and Society, International Training Center, International Labour Organization, Turin.
